Dear Parents,

We are very excited to be offering a summer program that will be filled with great fun, adventure and discoveries. It will provide your child(ren) an opportunity to celebrate the warm weather and explore their community while enhancing their development. Each week offers a different theme with its unique programs involving some academic programming with science experiments, language, and computer fun. All sessions will include hot healthy meals, snacks, local field trips within walking distance, special shows, arts/crafts, games, cooking fun, music and water activities. Some weeks will offer a field trip.

It is our goal to offer the most fun possible and maintain the strictest safety in our learning environment. All our staff are First Aid Certified.

What to remember to bring to make your summer experience fun:

- ✓ Extra set of clothes labelled with child's name (a short, a t-shirt, a bathing suit, a towel, a sun hat, an extra underwear, etc.)
- ✓ A labelled water bottle
- ✓ Sunscreen that is clearly labelled with your child's name on it (please provide one bottle per child)
